December 14, 2016

To The Honourable
The Legislative Assembly of

Mr. Speaker:

Your Standing Committee on Law Amendments begs leave to submit their First Report of the session.

On November 16, 2016, Bill 16, *An Act to Amend the Crown Construction Contracts Act*, was introduced in the Legislative Assembly. The proposed legislation has four major focuses: to exempt certain non-routine capital projects of the New Brunswick Power Corporation from the application of the *Crown Construction Contracts Act*; to move standard form contracts in the machine rental rates from regulation and into government administrative policy; to permit the Minister of Transportation and Infrastructure to create a set of standard terms for performance bonds and payment bonds furnished to the Crown in relation to a contract administered on behalf of the Crown by the Minister, and to permit Crown entities to negotiate with the low or sole bidder on a contract.

On November 17, 2016, by resolution of the House, consideration of the subject matter of Bill 16 was referred to the Standing Committee on Law Amendments.

On November 23, 2016, your Committee met and determined that certain organizations should be invited to provide input to the Committee with respect to the issues raised by Bill 16.
