WHEREAS only 49 percent of grade ten Francophone students are at an appropriate or higher level in mathematics path A;

WHEREAS only 56 percent of grade four Francophone students are reading at an appropriate level;

WHEREAS grade two Anglophone student reading levels have been declining over the past number of years;

WHEREAS the current government's ten year education plan contained no details, no goals, no measurements and no accountability mechanisms, as well as no suggestions for major overhauls of the education system, and the government has done little to move the education file forward in this province;

WHEREAS educators are expressing concern that changes to the French Immersion program are based on political promises and not research evidence;

WHEREAS the Minister of Education and Early Childhood Development stated that private tutors are an important part of the education system, which leaves out rural New Brunswickers who do not have equal access to private tutors;

WHEREAS teachers feel they are not allowed to speak up about potential improvements to the system because of employment rules and the lack of meaningful consultation;

BE IT THEREFORE RESOLVED THAT this Assembly urges the Minister of Education and Early Childhood Development to take responsibility for the crisis in education;

BE IT FURTHER RESOLVED THAT this Assembly urges the current government to work with educators and parents in developing solutions.

WHEREAS the forest industry in New Brunswick contributes over \$1.45 billion to the economy annually;

WHEREAS New Brunswickers have a vested interest in the negotiations of a new softwood lumber agreement;

Motion 4 by Mr. Stewart, seconded by Mr. Fairgrieve to propose the following resolution on Thursday, November 10, 2016:

WHEREAS the Auditor General is responsible for leading and directing independent audits and advising on how well the provincial government is managing its responsibilities and resources;

WHEREAS the Auditor General conducts financial audits of government services and programs to support the amounts and disclosures in the financial statements submitted to government and the public;

WHEREAS the Auditor General conducts performance audits of government services and programs, providing a systematic and objective assessment of how well government is managing its activities, responsibilities and resources;

WHEREAS the Auditor General conducts special examination of our Crown Corporations, providing assurance that their assets are safeguarded, their resources are managed economically and efficiently and their operations are carried out effectively;

WHEREAS government spent considerable time and effort on a Strategic Program Review, but refused more resources to the Auditor General, even though it is this office that performs financial, performance and special reviews of government services, and provides recommendations to government to improve these practices;

BE IT THEREFORE RESOLVED THAT this Assembly urges the current government to start supporting the Auditor General's office, and allowing additional performance audits and special investigations to be conducted, so that we can reach the goal of a balanced budget and better taxpayer protection.
