**Motion 6 by Mr. Coon**, seconded by Mr. Keirstead to propose the following resolution on Thursday, November 17, 2016:

WHEREAS other jurisdictions within Canada, including British Columbia and the Government of Canada report tax expenditures annually;

WHEREAS it is the responsibility of government to be accountable to the people it represents;

BE IT RESOLVED THAT the Legislative Assembly urge the government to include in its main estimates the total revenue foregone as a result of tax expenditures each fiscal year, beginning with 2017-2018.

**Motion 26 by Mr. K. MacDonald**, seconded by Mr. Fitch to propose the following resolution on Thursday, March 30, 2017:

WHEREAS the Department of Environment and Local Government are advocating the establishment of rural communities throughout New Brunswick, as a means of providing greater opportunities for local input at the local level; and

WHEREAS the Nashwaak rural community spent the winter of 2016 undertaking a series of public meetings to determine the interest in joining the populations of Estey's Bridge, Saint Mary's, Stanley (the Village) and portions of Stanley (the parish) together, and collected the necessary amount of signatures required by the province to proceed with the next step in the establishment of a rural community; and

WHEREAS the Nashwaak rural community meets the guidelines as established by the Department of Environment & Local Government, namely the inclusion of a village, a population greater than 4000 and a tax base in excess of \$200M; and

WHEREAS the Province of New Brunswick, through the Department of Environment and Local Government has already granted approval for the feasibility study to proceed; and

WHEREAS the financing of the feasibility has already been secured; and

WHEREAS the local service district of Estey's Bridge is already dealing with increased truck traffic associated with existing rock quarry activity in the area; and

BE IT THEREFORE RESOLVED THAT the Legislative Assembly urge the government to refrain from approving any gravel pits or rock quarries in the area bordered by the Claudie Road, Route 620, Route 105 and Kingsley Road until the Nashwaak rural community is established and area residents have had an opportunity to voice their concerns to the representatives of their new municipal structure currently known as the Nashwaak rural community.

## WRITTEN QUESTIONS (see Appendix A)

Donald J. Forestell  
 Clerk of the Legislative Assembly

**APPENDIX A****WRITTEN QUESTIONS****Question No. 1 by Mr. Higgs**

Directed to: Hon. Mr. Gallant  
Premier of New Brunswick

Will the Premier give us precisely the deficit figure that he is claiming to have cut in half? What was the top number, what was the bottom number, and where was the contingency fund during all this calculation?

**Question No. 2 by Mr. Higgs**

Directed to: Hon. Mr. Gallant  
Premier of New Brunswick

Two documents were posted to the government of New Brunswick website. One document is on the economic outlook for 2017-18, and the other document is the budget speech. These documents may conflict. As such, which document is accurate?

**Question No. 3 by Mr. Higgs**

Directed to: Hon. Mr. Doucet  
Minister of Energy and Resource Development

I would like to refer the minister to Volume 2 of the 2015 report of the Auditor General and her recommendations on private wood supply. On page 176, in paragraph 4.20, the Auditor General states:

4.20 We reviewed documentation supplied by the Department regarding its strategic planning and implementation. We could not identify a documented strategy, goal or objective for wood supply from private woodlots. Although it has initiated some actions related to private wood supply, none were complete.

Can the minister advise the House as to whether this has been acted upon? Can he share the department's documented strategy, goal, or objective for wood supply from private woodlots?

**Question No. 4 by Mr. Higgs**

Directed to: Hon. Ms. Landry  
Minister responsible for Opportunities New Brunswick

Can the minister responsible for Opportunities New Brunswick advise the House as to how many companies receiving government financial assistance are behind on their commitments to create jobs?

**Question No. 5 by Mr. Higgs**

Directed to: Hon. Ms. Rogers  
Minister of Finance

The Gallant government made two announcements, one regarding Sisson Mine and the other regarding First Nations gasoline and tobacco taxation.

Could the minister explain what consultation was done and what consideration was given, if any, to the concerns of the independent gasoline retailers, such as decoupling from HST or providing a cap?
