10 o'clock a.m.

Prayers.

Hon. Mr. Ashfield welcomed to the Chamber two former Members of the Legislative Assembly: Yvon Poitras, Progressive Conservative MLA for Restigouche West (1982-1987) and Max White, Confederation of Regions MLA for Sunbury (1991-1995).

Following Congratulatory Messages, Mr. Speaker cautioned Members to avoid making lengthy congratulatory statements and to limit themselves to one congratulatory message.

Hon. Mr. Ashfield laid upon the table of the House a document entitled "Government's Response to the Select Committee on Wood Supply."

Hon. Mr. Green moved that the following Bill be read a first time.

Bill 55, *Public Trustee Act*.

Mr. Speaker put the question and Mr. S. Graham rose on a point of order and noted that since Bill 10, *Public Trustee Act*, a private member's public Bill, introduced by a member of the official opposition, had received second reading, was currently referred to the Committee of the Whole House, and dealt with the same subject matter, it would be necessary to withdraw it in order to allow the new Bill introduced by the government to proceed. He indicated his consent to have the order of referral to the Committee of the Whole House discharged and Bill 55 introduced.

It was agreed by unanimous consent that the order referring Bill 10, *Public Trustee Act*, to the Committee of the Whole House be discharged and the Bill withdrawn.

Bill 55, *Public Trustee Act*, was then read a first time and ordered to be read a second time at the next sitting.

Mr. S. Graham gave Notice of Motion 97 that on Tuesday, June 7, 2005, he would move the following resolution, seconded by Mr. Allaby:

That an address be presented to His Honour the Lieutenant-Governor, praying that he cause to be laid upon the table of the House all correspondence, e-mails, reports, studies and any other

documents between the Office of the Executive Council, the Office of the Premier and the Office of the Auditor General between the dates March 21, 2005, and June 1, 2005.

Mr. V. Boudreau gave Notice of Motion 98 that on Tuesday, June 7, 2005, he would move the following resolution, seconded by Mr. MacIntyre:

WHEREAS cancer is the leading cause of death in New Brunswick;

WHEREAS cancer rates are soaring due to our aging population;

WHEREAS 3 580 new cases of cancer are diagnosed each year;

WHEREAS New Brunswick has the second-highest cancer incidence rate in Canada;

WHEREAS the Cancer Control Accountability Framework for New Brunswick was developed by more than 170 cancer care experts and cancer survivors to ensure that the New Brunswick health system is prepared to meet this growing demand;

WHEREAS New Brunswick will not be prepared to meet the cancer challenge unless swift action is taken;

BE IT THEREFORE RESOLVED that the Legislative Assembly call upon the provincial government to implement a provincial cancer control strategy in collaboration with all stakeholders by March 2006.
