OPPOSITION MEMBERS' MOTIONS

Debatable Motions

Motion 62 by Mr. Volpé, seconded by Mr. Ashfield to propose the following resolution on Thursday, April 17, 2008:

WHEREAS the forestry industry in New Brunswick is in a state of crisis; and

WHEREAS the importance and value of the forestry industry is of the utmost significance to the well being of the province's economic stability; and

WHEREAS thirty three of New Brunswick's sixty one mills have closed their doors during the last several months; and

WHEREAS the future of New Brunswick's forestry industry including silviculture, is in jeopardy, leaving thousands of New Brunswickers without employment and thousands more adversely affected by the economic downturn that will result; and

WHEREAS the government has helped organize and has actively participated in industry summits for agriculture and the fisheries;

BE IT THEREFORE RESOLVED that this Legislative Assembly calls upon the Government to immediately join with all parties interested in the future of New Brunswick's forests to organize a Forestry Summit in order to bring together all levels of government and all forestry stakeholders; and

BE IT FURTHER RESOLVED that the purpose of this Forestry Summit be to provide a forum for an open dialogue on the future of forestry in New Brunswick and how to get the best return for all New Brunswickers in terms of the economic, environmental, social and tourism factors; to engage the public in an open discussion, to examine potential solutions to the key challenges affecting New Brunswick's forests, and to ensure the survival and viability of this critically important component of New Brunswick's economy and the New Brunswick way of life.

***Amendment moved by Hon. Mr. Arseneault and seconded by Hon. Mr. Foran:
That Motion 62 be amended as follows:***

In the 4th whereas clause, delete all words after “industry” and replace them with “is uncertain with thousands of New Brunswickers who work in forestry being currently adversely affected;”

Delete the 5th whereas clause.

Delete the two resolution clauses and replace them with the following:

“BE IT THEREFORE RESOLVED that the Legislative Assembly call upon the government to proceed with the planned release, reviews and response to the Wood Supply and Forest Diversity Task Force Report, to proceed with the global market assessment initiative, to support viable long-term initiatives, and to instruct various government departments to continue to work with respective stakeholders in developing solutions for making the forest sector more competitive; and

BE IT FURTHER RESOLVED that the Legislative Assembly asks the Cabinet Committee on Forestry to continue its active involvement in the issues that challenge the forest industry.”

[Debate on amendment to motion interrupted due to expiration of time.]

Motion 72 by Mr. Volpé, seconded by Mr. Alward to propose the following resolution on Thursday, May 1, 2008:

WHEREAS the government has said that they will make this province self-sufficient by the year 2026;

WHEREAS the government has not tabled a financial plan to support their objective;

WHEREAS David Foord and John D. McLaughlin have stated that achieving the government’s objective means receiving no equalization payments in 2026;

WHEREAS equalization payments as a percentage of total provincial revenue have increased as opposed to decreased from fiscal 2007-08 to fiscal 2008-09;

WHEREAS Mr. Foord and Mr. McLaughlin wrote in 2007 that for New Brunswick to achieve this goal we must achieve average annual real GDP increases over the next twenty years that are 1.5 points higher than the Canadian average;

WHEREAS the Bank of Canada has forecasted that the economic slowdown in the United States will have direct consequences for the Canadian economy;

THEREFORE BE IT RESOLVED that this Legislative Assembly call upon the government to table a long-term financial forecast that will support their objective of self-sufficiency by 2026.

Motion 73 by Mr. Holder, seconded by Mr. Ashfield to propose the following resolution on Thursday, May 1, 2008:

WHEREAS many areas within the province can be negatively affected by abnormal seasonal flooding;

WHEREAS the government has a responsibility to provide support and assistance to those who have been impacted;

WHEREAS in January 2006, the Progressive Conservative Government acted to provide free water quality testing of flooded private wells;

THEREFORE BE IT RESOLVED that this Legislative Assembly call upon the government to implement a permanent policy to test the water quality of private wells in flooded regions at no charge to help ensure the safety of drinking water for all New Brunswickers.
