### *Debatable Motions*

**Motion 62 by Mr. B. LeBlanc**, seconded by Mr. Fraser to propose the following resolution on Friday, April 9, 2010:

WHEREAS Route 11 is part of the National Highway System; and  
 WHEREAS Route 11 is included in the Atlantic Canada Transportation Strategy; and  
 WHEREAS efficient movement of goods and service on Route 11 is very important to economic development of northern New Brunswick; and

WHEREAS the current two-lane Route 11 cannot as effectively promote economic growth in northern New Brunswick; and

WHEREAS strategic development of ports and major economic opportunities require modern, four-lane highway support;

BE IT RESOLVED that this Legislature unanimously call upon the federal government to partner with New Brunswick in upgrading Route 11 into a four-lane highway.

**Motion 65 by Mr. Paulin**, seconded by Mrs. Robichaud to propose the following resolution on Wednesday, April 14, 2010:

THAT notwithstanding the Standing Rules of the Assembly, following the adoption of this motion, there shall be four days of debate remaining for the proceedings at all stages of the passing of Bills 12, 22, 26, 31, 32, 33, 35, 36, 37, 38, 39, 40, 43, 45, 49, 54, 55, 56 and 58 which shall include the days spent considering said Bills from April 8, 2010 and onward, and at the expiration of the said four days, unless sooner concluded, the Speaker, or the Chair of the Committee of the Whole House, shall interrupt the proceedings and put every question necessary to dispose of the order for second reading of the said Bills; the order for consideration of the said Bills in the Committee of the Whole House and report of the Bills to the House; and the order for third reading of the said Bills; and where necessary, the said Bills shall be allowed to receive more than one reading or advanced more than one stage in one day.

**Motion 68 by Mr. Burke, Q.C.**, seconded by Mrs. MacAlpine-Stiles to propose the following resolution on Friday, April 16, 2010:

WHEREAS the Province of New Brunswick has a shared responsibility for ensuring health, educational and child welfare outcomes for all persons residing in New Brunswick;

WHEREAS a number of these services are delivered by First Nations with funding partnerships that include both the Provincial and Federal governments;

WHEREAS the Province commissioned the Child and Youth Advocate to prepare a report on child welfare on-reserve and has now received the report entitled *Hand-in-Hand — A Review of First Nations Child Welfare in New Brunswick* with a comprehensive set of recommendations;

WHEREAS the Province wishes to provide greater certainty and equal treatment to all children in the area of government services; and

WHEREAS the Province wishes to demonstrate its intention to show early progress in improving health, educational and child welfare outcomes for children and youth residing in First Nation Communities;

THEREFORE BE IT RESOLVED that Members of the Legislative Assembly endorse a tripartite partnership of First Nation, Provincial and Federal governments to:

1. Develop an agreement on the application of Jordan's Principle that would see the agency of first contact pay for the necessary public services required by the First Nation's child or youth. Where required, funding disputes would be resolved with a dispute resolution mechanism but disagreements would not delay the provision of service.
2. Negotiate a new tripartite agreement for child welfare based on an enhanced prevention approach incorporating the recommendations of the Child and Youth Advocate in Part 1 of *Hand-in-Hand - A New Model for First Nations Child and Family Services Delivery*.
3. Develop a tripartite plan for addressing the underlying causes that contribute to poor child welfare outcomes based on the recommendations in Part II of *Hand-in-Hand — Improving Lives and Opportunities for First Nations Children*.

BE IT FURTHER RESOLVED that, mindful of the years First Nations children have waited for clarity in social services, health, and education, this Legislative Assembly urge the Provincial government to take all reasonable and responsible measures to ensure First Nations children and youth receive necessary public services they require including, without limitation that the Attorney General seek clarity for all governments through a judicial reference to the New Brunswick Court of Appeal should tripartite negotiations fail to provide clarity within a reasonable time.
