Motion 1 by Mr. Kenny, seconded by Mr. Haché to propose the following resolution on Thursday, December 6, 2012:

WHEREAS the impending closure of the Xstrata Mine in Bathurst will result in the loss of hundreds of jobs, both directly and indirectly;

WHEREAS the northern economy has suffered numerous blows in recent years with the decline of various industries, and the Xstrata closure will only exacerbate this economic downturn;

WHEREAS the knowledge base, expertise and human resources in the region would provide an excellent training ground for those interested in learning mining skills;

WHEREAS mining companies around the world are looking for thousands of workers skilled in mining trades;

WHEREAS a mining trades program and a mining centre of excellence, and resulting research opportunities, would provide important economic opportunities for northern New Brunswick;

WHEREAS the training facility and centre of excellence would help both northern New Brunswick and mining all across Canada;

BE IT THEREFORE RESOLVED that the Legislature urge the provincial government to engage the mining industry and the federal government in a partnership to establish a Mining Centre of Excellence and training centre in Bathurst following the mine's shutdown.

Amendment moved by Hon. Mr. Soucy, seconded by Hon. Mr. P. Robichaud that Motion 1 be amended as follows:

In the resolution clause, by deleting all the words following "urge the provincial government to" with "continue engaging the mining industry, the Mining Industry Human Resource Council, and the Federal Government in a dialogue concerning the possibility of establishing a Mining Centre of Excellence and college-level training centre in conjunction with the Collège Communautaire du Nouveau-Brunswick – campus de Bathurst following the mine's shutdown."

[Debate interrupted due to expiration of time]

Motion 9 by Mr. Melanson, seconded by Mr. Boudreau to propose the following resolution on Thursday, December 13, 2012:

WHEREAS the economy of New Brunswick experienced zero growth in the past year;

WHEREAS unemployment in New Brunswick has risen to 11.6 per cent;

WHEREAS the economy of our major trading partner, the United States, is precarious;

WHEREAS this weak economic performance means lower revenues for government, making it more difficult for government to deliver its services and address our fiscal challenge;

WHEREAS this bleak economic outlook is an issue that rises above political differences;

WHEREAS the Opposition offers to work with government on solutions;

BE IT RESOLVED THAT the Legislature urge the government and opposition to work together in convening a job summit representing a cross-section of stakeholders in the economy to review the current economic circumstances and make recommendations to government for remedial action.

Motion 14 by Mr. Boudreau, seconded by Mr. Collins to propose the following resolution on Thursday, December 13, 2012:

WHEREAS the Alward government has not questioned the federal government on reductions to federal transfer payments to New Brunswick;

WHEREAS the Alward government has refused to take on the federal government for the \$1 billion in cost overruns caused by AECL, a federal crown corporation;

WHEREAS the Alward government has decided not to fight for the interests of New Brunswick by seeking compensation for the millions of dollars in additional costs the province will be burdened with in relation to the new federal omnibus crime bill;

WHEREAS the Alward government did not even seek adequate compensation from the federal government for the future upkeep and maintenance of the Harbour Bridge;

WHEREAS the Alward government has not voiced concern about federal job cuts in New Brunswick;

WHEREAS the Alward government has not spoken out against cuts by ACOA to the regional economic development agencies;

WHEREAS the Alward government was silent on cuts to the National Research Council in New Brunswick;

WHEREAS the Alward government has not stood up for New Brunswick in relation to the proposed EI eligibility changes which will have a devastating effect on our seasonal industries, our communities and our people;

WHEREAS the Alward government was not successful in convincing the federal government to keep Canadian Blood Services in New Brunswick;

WHEREAS the Alward government has been unable to persuade the federal government to partner with it on the twinning of Route 11;

WHEREAS the Alward government has not fought against cuts to rail service in New Brunswick;

BE IT THEREFORE RESOLVED that the Legislature urge the government and opposition to coordinate a strong position on behalf of the people of New Brunswick to stand up and speak out against the federal government on measures that have such negative economic and financial consequences for New Brunswick.
